NARRATIVE:

James Byers is a registered sex offender and documented gang member and has an extensive adult criminal history that began at the age of 20. His convictions include lewd or lascivious acts, attempted escape, multiple burglaries, possession of burglary tools, possession of controlled substances for sales, multiple petty theft with priors, possession of narcotic controlled substances, possession of drug paraphernalia and multiple cases of false identification to a peace officer. He has served multiple state prison terms, the longest being a 5 year term for burglary. Byers was released from state prison to the supervision of the Los Angeles County Probation Department on November 22, 2014. Under the Governor's Public Safety Realignment Act of 2011, better known as Assembly Bill 109 (AB 109) the responsibility of lower-level offenders was shifted from the State to Los Angeles County. He subsequently failed to report to his probation officer and an arrest warrant was issued in March 2016 after he absconded from post release community supervision (PRCS). Byers qualified to be released to the supervision of probation, under AB 109, because his current commitment offense for burglary is defined as non-serious and non-violent under the California penal code. His criminal history, sex offender and gang member status and current failure to comply with the terms of release make him a most wanted. If you know his whereabouts please contact...
